## **Funding**

As you know, families may be eligible for Working Extended Funding, from the term after their child is 9 months old – depending on the date parents return from maternity leave.

It is important to apply in good time to gain your funding code, and from then it is really important you renew your account every three months to avoid the code expiring.

Thank you to everyone for returning your funding forms, the transferring of a high percentage of our children to further funded hours has been a big task!

Don't forget to use your Tax Free Childcare if you are eligible as this can be used for any payable fees (up to

20% of your fees paid by HMRC). Did you know this can be used for babies until they are eligible for funding, and also for children's after school club at their school, and for holiday childcare too. Ask your provider for more details.

Donna and Sarah are happy to help with any funding / tax free childcare questions.
