

“It was a great atmosphere and good that there were so many people to talk to including the dentist and speech therapist”

“Families are welcome to come along to our Open Evening as it’s a lovely social event for parents and staff alike. Parents benefit from what’s on offer and have the opportunity to hear from other schools in the area.”

“At the open evening, each school had a little stand.

It was so helpful to be able to talk to members of the different schools, see photographs, ask burning questions and to get a general 'vibe' of each establishment.”

Clare, Parent of School Leaver 2025

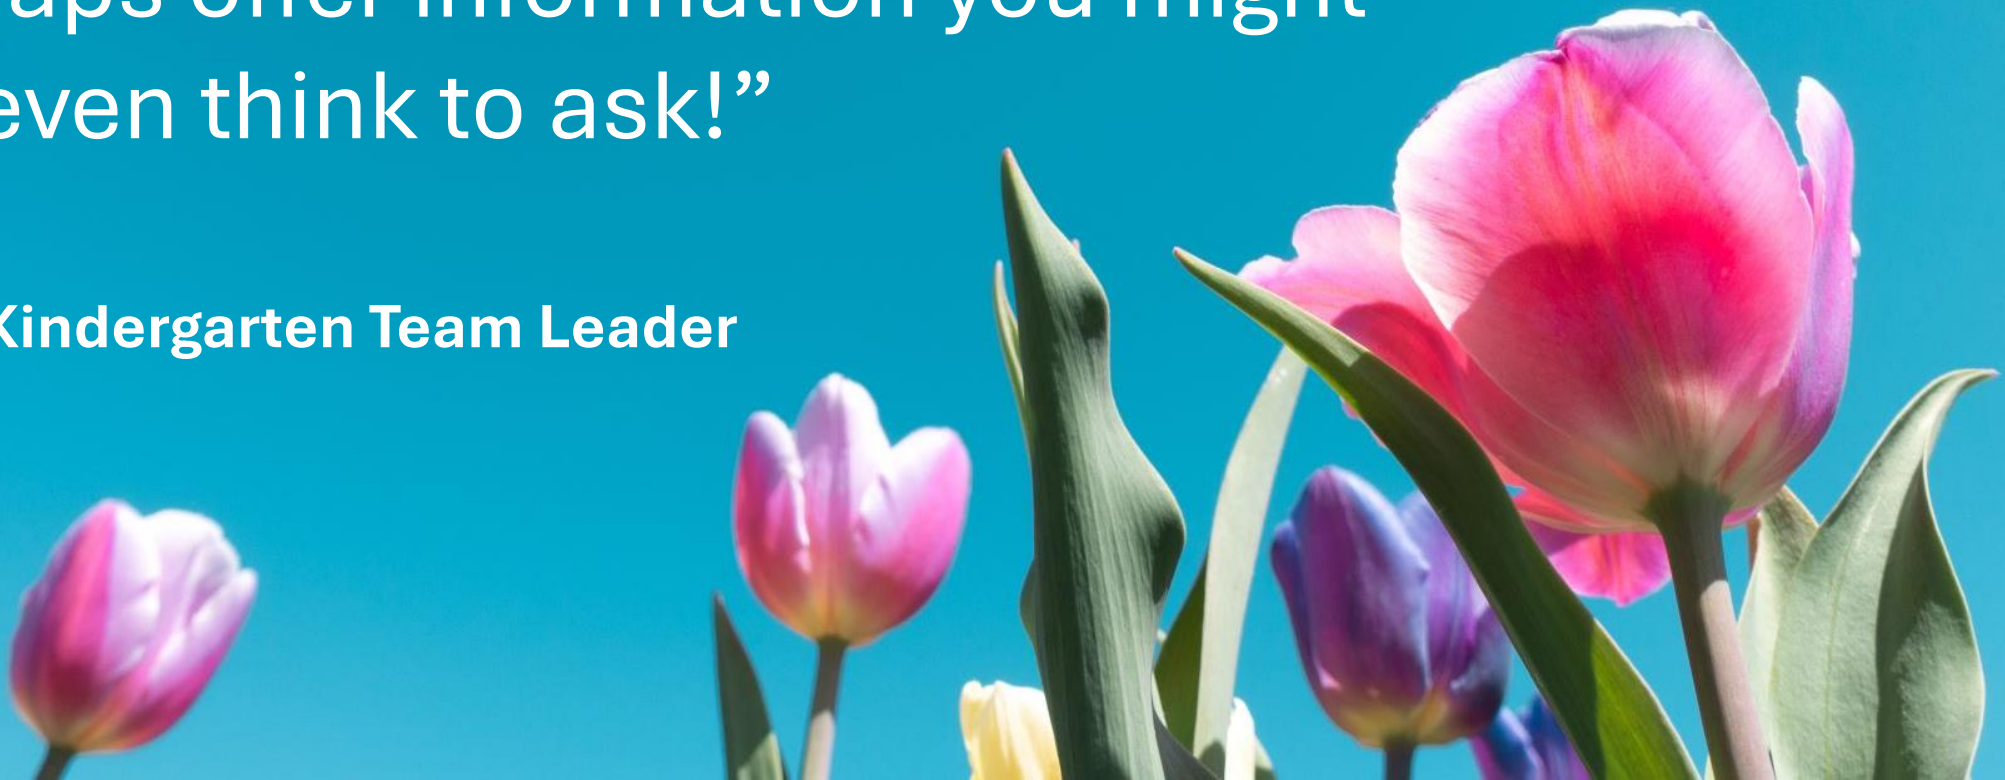

“We open up a huge network of opportunity, working alongside other providers and agencies. They will be on hand to answer questions and perhaps offer information you might not even think to ask!”
